

Peace of Mind *Pledge*

In addition to our standard 5-Year Warranty, Impact LED offers additional protection.

Although rare, things happen and you want to be covered. Without even a basic layer of protection, catastrophic events can leave you exposed to replacing your sign out-of-pocket.

Impact LED is here to help. Should trees fall, lightning strike, flood waters rise, or tornadoes twist, our Peace of Mind Pledge will help soften the blow. The Pledge applies to intentional or accidental damage to the sign, including vandalism and car accidents.

Impact LED will reimburse up to \$5,000 of your insurance deductible for the incident for the first five years of your sign's life. This allows you to get repairs or replacement with zero dollars out of pocket.
